

EARTHERN FORM

INTERIOR DESIGNER TRADE COLLECTION

Objects with character. Spaces with intention.

2026 / VOL. 01

AN INVITATION TO COLLABORATE

Considered objects for meaningful interiors.

Earthern Form brings together sculptural wooden objects, tactile wall pieces and artisanal ceramics for interiors shaped by material, form and quiet detail.

This trade collection has been curated for interior designers, stylists and project teams seeking distinctive accents, flexible sourcing and thoughtful project support.

THE EDITION

01 Sculptural Wood / Live-edge Bowl

02 Wall Objects / Draped Relief

03 Timber Wall Art / End-grain Blocks

04 Ceramic Vessels / Earth Forms

05 Wooden Vessels / Deep Round Bowl

OBJECT 01 / 05

The Live-edge Bowl

SCULPTURAL WOODEN VESSEL

IN THE SPACE

Console styling / coffee tables / dining surfaces

THE OBJECT

A fluid, uneven rim and expressive grain give each vessel an organic presence. Equally compelling as a tabletop focal point or a styled object.

TRADE NOTES

SKU EF-W01 | Dimensions, timber species, finish and availability: confirm by inquiry. | Trade quotation available.

OBJECT 02 / 05

Draped Wall Relief

TEXTURAL WALL SCULPTURE

IN THE SPACE

Residential feature walls / gallery vignettes / hospitality interiors

THE OBJECT

Soft folds meet a restrained geometric base, creating a study in movement, shadow and contrast. Intended as an expressive accent for considered walls.

TRADE NOTES

SKU EF-A01 | Composition, mounting specification, size and lead time: subject to confirmation. | Project inquiry welcome.

OBJECT 03 / 05

End-grain Wall Blocks

MODULAR TIMBER WALL OBJECTS

IN THE SPACE

Feature walls / restaurant interiors / layered residential spaces

THE OBJECT

Individual timber blocks reveal rings, fissures and natural variation. Arranged together, they form a rhythmic composition unique to each interior.

TRADE NOTES

SKU EF-W02 | Single module / multiple-module arrangements. | Finish, fixings, custom layout and quantity: quote on request.

OBJECT 04 / 05

Earth-form Vessels

ARTISANAL CERAMIC COLLECTION

IN THE SPACE

Shelf styling / boutique retail / hotel suites

THE OBJECT

Geometric silhouettes and layered earthy tones lend a quiet architectural quality. The collection invites grouping, variation and deliberate styling.

TRADE NOTES

SKU EF-C01 | Assorted forms pictured. | Exact finishes, dimensions, orderable variants and production capacity: confirm by inquiry.

OBJECT 05 / 05

Deep Round Bowl

SCULPTURAL WOODEN VESSEL

IN THE SPACE

Entry consoles / large dining tables / editorial styling

THE OBJECT

A generous circular form with a dark, richly textured surface. Its scale and simplicity make it a strong standalone object in curated interiors.

TRADE NOTES

SKU EF-W03 | Interior and scale shown in photographs. | Size, finish, care instructions and availability: confirm by inquiry.

WORKING TOGETHER

The Trade Program

A considered partnership, shaped around each project.

01 TRADE PRICING

Dedicated professional quotations for eligible interior designers and project buyers.

02 CUSTOM SOURCING

Support in sourcing materials, silhouettes and finishes beyond the featured edit.

03 SAMPLING

Sample options for material, finish and quality review, quoted per request.

04 VOLUME PRICING

Project-based pricing for larger quantities, subject to production requirements.

05 PROJECT SUPPORT

Product details, coordination and progress updates during project fulfillment.

06 REORDER SERVICE

Assistance with repeat orders and continuity of prior specifications where feasible.

PROJECT APPROACH

From idea to object

A simple and transparent path from first inquiry to delivery.

01

DISCOVER

Share your project type, visual direction, estimated quantity and target date.

02

CURATE & QUOTE

We identify suitable pieces or assess custom possibilities; terms are confirmed in writing.

03

SAMPLE & APPROVE

Where applicable, review a sample, photographs or specifications before production.

04

PRODUCE & DELIVER

Coordinate production, quality checks and delivery arrangements as agreed.

05

CONTINUE

For future projects, request the same design or develop a new variation.

BEFORE WE BEGIN

Trade at a glance

Every project starts with an individual quotation.

PRICING	Trade and volume rates are quoted by product, quantity and project scope.
CUSTOM WORK	Feasibility, materials, finishes, prototypes and tolerances are discussed before acceptance.
SAMPLES	Sample charges, shipping and any potential credits are confirmed in advance.
TIMELINES	Production and transit estimates are supplied for each order; no universal lead time is promised.
REORDERS	Material and handmade variation may occur; repeatability is confirmed before reordering.
SHIPPING	Destination, packaging, damage process, duties and delivery terms are clarified in the quotation.

PRODUCT SPECIFICATIONS & QUOTES

Available upon inquiry. No prices or production guarantees are implied in this edition.

LET US MAKE SOMETHING CONSIDERED.

Your next project
begins with a conversation.
